

How to fold a newspaper bag

Step 1: Lay a piece of newspaper out flat and opened up. Then fold down about 3" on the top:

Step 2: Flip the piece over.

Step 3: Now fold one side in about a third:

Step 4: Fold the other side in about a third:

Then fold the other side in a third

Step 5: Now you will reposition that last fold so that it is tucked under the folded cuff at the top:

Step 6: Flip the piece over again.

Step 7: Now fold the piece in half toward the top:

Step 8: Finally, reposition this last fold so that it is tucked under the folded cuff at the top:
